

*Title of Collection:* Fiscal Operations Report for 2018–2019 and Application to Participate 2020–2021 (FISAP) and Reallocation Form.

*OMB Control Number:* 1845–0030.

*Type of Review:* A revision of an existing information collection.

*Respondents/Affected Public:* State, Local, and Tribal Governments; Private Sector.

*Total Estimated Number of Annual Responses:* 3,962.

*Total Estimated Number of Annual Burden Hours:* 91,348.

*Abstract:* The Higher Education Opportunity Act (HEOA) (Pub. L. 110–315) was enacted on August 14, 2008 and reauthorized the Higher Education Act of 1965, as amended, (HEA). It requires participating Title IV institutions to apply for funds and report expenditures for the Federal Perkins Loan (Perkins), the Federal Supplemental Educational Opportunity Grant (FSEOG) and the Federal Work-Study (FWS) Programs on an annual basis.

The data submitted electronically in the Fiscal Operations Report and Application to Participate (FISAP) is used by the Department of Education to determine the institution's funding need for the award year and monitor program effectiveness and accountability of fund expenditures. The data is used in conjunction with institutional program reviews to assess the administrative capability and compliance of the applicant. There are no other resources for collecting this data.

The HEA requires that if an institution anticipates not using all of its allocated funds for the FWS, and FSEOG programs by the end of an award year, it must specify the anticipated remaining unused amount to the Secretary, who reduces the institution's allocation accordingly. The changes to the version of the FISAP update the deadline and award year references, incorporate 2 new questions on the FSEOG and FWS programs. Additionally, this version of the FISAP provides clarification of the information that must be reported for the Perkins loan program now that there are no new loans being made due to the expiration of the program.
